This program aims to provide employment opportunities for [youth who face barriers to employment](#).

Will efforts will be taken by your organization to reach youth who face barriers to employment?

Yes No

[Youth who face barriers to employment](#) may include youth living in rural or remote locations, visible and language minorities, youth with disabilities, new Canadians, Indigenous youth, etc.

Please describe how you will increase workplace diversity and capacity for inclusivity in hiring. (150 words max)

Disclaimer:

I confirm that my organization understands that funding provided through the CPRA Green Jobs Initiative is to cover costs for salary and Mandatory Employment Related Costs (MERCs) only. All contributions made by CPRA on behalf of Parks Canada will be matched by my organization, and no other federal funding will support the positions proposed in this application.

I confirm that my organization understands that this is only an application and submitting this application is not a guarantee of funding or that my application will be approved. I further confirm that we understand that we may be required to submit additional information prior to our application being approved.

I confirm that my organization understands that if this application is approved, the applicant will be required to follow certain rules and regulations regarding the approval and funding processes, as well as the management and hiring of positions under the CPRA Green Jobs Initiative. The full details of such rules and requirements will only be made known to successful applicants. A failure to abide said rules and requirements may result in the applicant being removed from the Green Jobs Initiative.

This project is funded in part by the Government of Canada.
